

Cruisers Declare Potluck a Success

On the evening of April 15 the cruisers got together at the Yacht Club for potluck and cruising chat. Enjoying the evening were **Bill, Karen, and William Prouty; Agnes and Chris Doutre** with guest **Don McArthur** from Calgary, Alberta; **Fred Molnar and Bridget Binko; Ernie and Nancy Rideout; Nancy Lenz; Steve Smardan; Dave and Nancy Dias; Hank and Marlon Crook; Malene Mortenson; Vern and Meredith Wallace.**

Everyone had a good time visiting, and there were so many requests for “who made...?” and “How did you make.....?” that Chris suggested that we send him our recipes, which he would then compile and post on the website for all of us to share. Many thanks go to **Chris Doutre**, who created a slide show for everyone’s enjoyment, using photos of past cruises.

Of course the discussion also turned to **upcoming cruise activities: the raft-up on-board barbecue/potluck** which is scheduled for **April 29** (weather permitting); **Memorial Day weekend at Stillwater Cove** (leader/organizer: **Steve Smardan**) and the annual **July 4th Weekend at Monterey**, to be co-ordinated by **Bridget Binko**. (Details of the **Stillwater** and **Monterey** cruises appear below.)
